Dear Business Owner,

Greetings! The 2018-19 BHS Mountain Bike Racing season is underway. Our Mountain Bike Team would be extremely honored to have you and your organization as a team sponsor. We will travel out of town to 6 or more races around Southern California, so there will be substantial travel, bike maintenance, and food costs again this year. Being made up completely of volunteer coaches and staff, our program runs solely from donations from parents and from wonderful people like you!

Not sure what our MTB teams do? Think about running cross country, except on a mountain bike riding really, really, fast with trees, rocks, bushes, and other riders whizzing past you! That's what we do. You might not know that at State finals last season, our team had the second fastest Sophomore rider in all of California! Go Cougars!

Our team needs your help! We would be honored to have your business as a sponsor!
Donations are tax deductible. TAX ID #71-1028554

We know this will be a great partnership! We travel all around Southern California both practicing and racing and the commercial advantages to you are great. With a donation to our team, your company's name or logo will go on our sponsor banner for all to see at every race weekend. You will be building lasting community partnerships with our coaches, parents, BOTH our High School and our Middle School Teams, and the entire mountain bike community.

With much love and sincere appreciation,

David Azzolin
